

August 2017

Dear Parent/Guardian:

Your child(ren's) school receives Title I funding and is included under the regulations of the "Every Student Succeed Act" (ESSA).

ESSA requires:

- Increased accountability for states and school districts.
- Greater flexibility for state and local education agencies in the use of federal funding.

Under the Every Student Succeeds Act (ESSA), parents have a right to request professional qualifications of their child(ren) teacher(s) or paraprofessional(s). This letter is to inform you of your right to ask for the following information about your children's classroom teachers or paraprofessionals:

- Whether Pennsylvania has licensed the teacher for the grades and subjects he or she teaches.
- Whether the teacher is teaching under emergency or other provisional status through which Pennsylvania licensing criteria have been waived.
- The teacher's baccalaureate degree major and whether the teacher has any advance degrees, and if so, the subject of the degrees.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to receive specific information about your child's teacher or paraprofessional, please contact your school Principal.

The Windber Area School District is fully committed to the success of your child(ren). We appreciate your partnership in our efforts to provide the best education for your child(ren).

Sincerely,

Joseph K. Kimmel
Superintendent
