

Windber Area School District

ESEA Title – I Parent Involvement Plan

The Windber Area Elementary School is dedicated to meeting the educational needs of all students including those students in the Title – I program. The Elementary School personnel believe that the education of children is a joint responsibility, one it shares with the parents/guardians of the school community. To insure that the educational needs of the Title – I students are being met, a strong educational program and communication between school and home must be maintained for each student.

The Windber Area Elementary School believes the following activities must be implemented to encourage cooperation between the parents and the school.

- Supporting the school by encouraging your child(ren) to observe school rules and regulations.
- Maintaining an interest in daily work done by your child(ren).
- Reading all communications sent from the school and the classroom teacher.
- Participating in school activities and functions.
- Communicating with the teacher in regards to your child(ren's) progress.
- Monitoring your child(ren's) attendance at school.
- Attending parent/teacher conference days.
- Reading Title – I information that is presented at the Family Reading Night(s).
- Requesting “do-at-home” activities from your child(ren's) teacher.
- Volunteering to assist at school when requested to do so.
